

# PPL@Home Registration Statuses

## California SDP | Enrollment

As a Participant, it is helpful to know the status of your different Associations' registrations in their journey to beginning with PPL.

From your PPL@Home dashboard, click the **'Associations'** tab, then use the accordion menus to view each Association.

**1** **IN PROGRESS:** The Association has either not begun registration, started registration, but has incomplete forms or information, or there are joint forms that you (and/or your EOR if you are not the EOR) must complete with them.

**2** **IN PPL REVIEW:** PPL is reviewing submitted forms and documentation and, when approved will move to Paperwork Complete status.

**3** **PAPERWORK COMPLETE:** All forms, verifications, and registration information have been completed and approved. Your Association can now perform SDP tasks.

**4** **DISASSOCIATED:** The Association has been removed from your CA SDP PPL@Home profile and cannot provide services or act on your behalf until associated again.

Call or email your Support Broker or Enrollment Specialist if you have any questions.
