

Updating Your Signature in PPL@Home

Walk-Me Guide | California SDP

To update your signature in PPL@Home there is a simple process to follow.

1

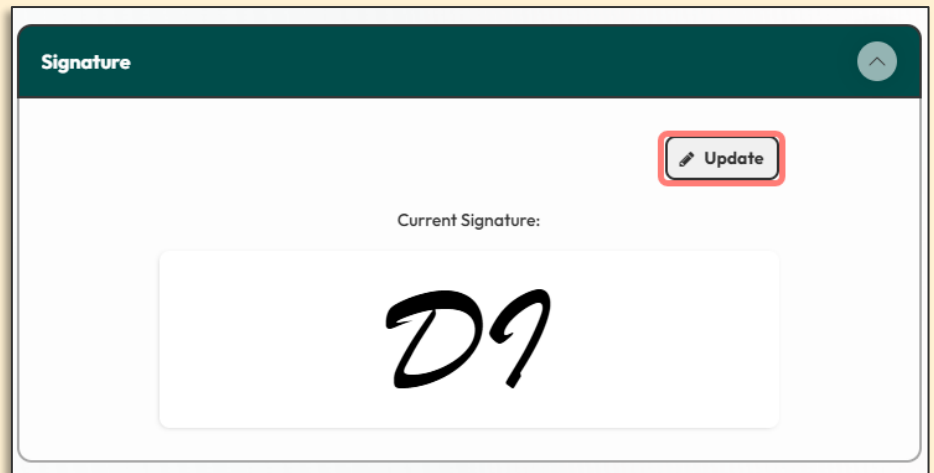

After logging into PPL@Home, click on the **Signature** tab.

2

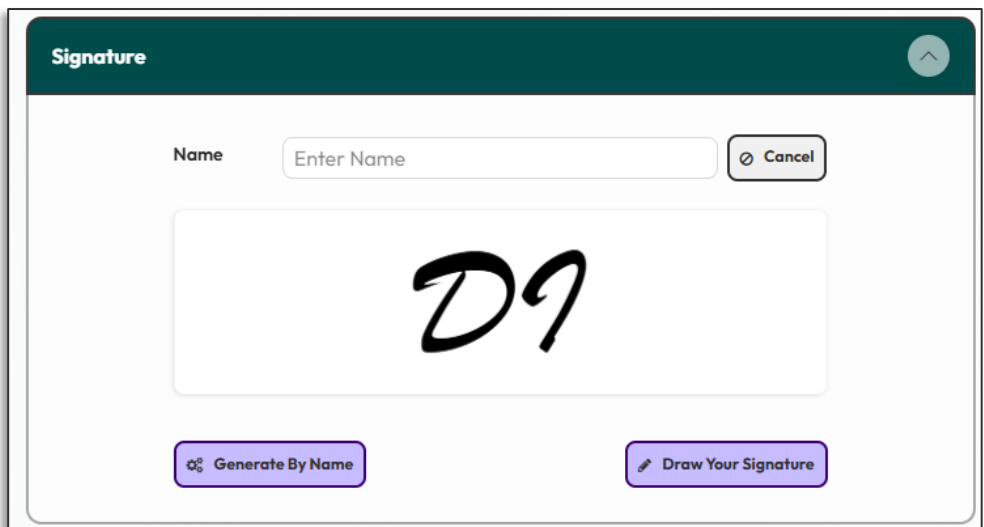

You will see your current signature.

Click the **Update** button.

3

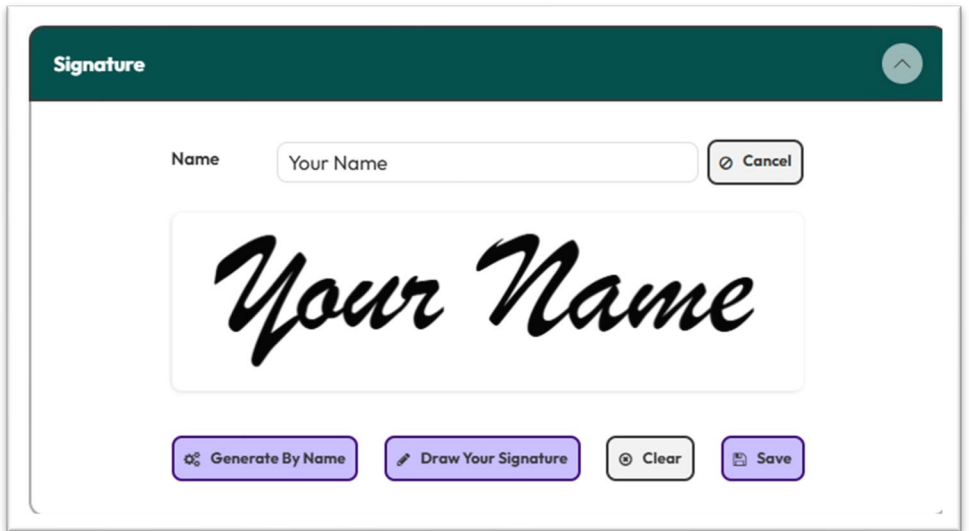

You will see two purple buttons to choose from.

4

Option 1 Generate By Name will automatically create a signature from the Name text box.

If you want to use this, click the purple **Save** button.

5

Option 2 Draw Signature will allow you to draw your signature in the box with your mouse or finger.

Clear will reset the field to draw.

Save will save the signature.

6

You can see your signature in the Signature tab as Current Signature.

Call or email your Support Broker or Enrollment Specialist if you have any questions.
